

Bill McCartney C.Eng. MIEE DMS
Senior Consultant

Bill has personally been involved in over 150 assignments. A Management Consultant and Chartered Engineer, his early career in Belfast involved a student apprenticeship in Electrical Engineering, during which he received the IEE Institution Prize. This was followed by four years in aircraft engineering research for *Short Brothers & Harland* and included lecturing part time in Engineering & Mathematics.

Management experience in Scotland includes Head of an Engineering Laboratory for *James Scott*, Manager of Special Projects for *Honeywell Controls* and Director & General Manager of *Vac-U-Lift (GB) Ltd.*

In 1970, Bill joined *PA Consulting Group* in Glasgow and transferred to Aberdeen in 1976, working on a range of assignments over 13 years for a wide range of clients:
